

RHMKTB – Online Publishing Platform

Rhema-Katoub (RHMKTB) is an electronic book-publishing platform.

We make our publications accessible worldwide using Creative Commons (CC) licensing and Natural Language Processing (NLP) technologies.

We are actively looking for translators to help us oversee automatic translations in these languages :

Bulgarian, Chinese, Czech, Danish, Dutch, English, Estonian, Finnish, French, German, Greek, Hungarian, Italian, Japanese, Latvian, Lithuanian, Polish, Portuguese, Brazilian Portuguese, Romanian, Russian, Slovak, Slovene, Spanish and Swedish

Process :

We send you a machine translation of the book (using DeepL) in your language
You read the book and understand it, we provide an english version to compare
You make propositions to make both the style and meaning easier to read (rewriting)

Payment :

You are granted 20% of all revenues generated in your language.
Payment every month starting 60 days after the official release (08 august 2021)

To participate send this filled-out form to contact@rhmkbtb.com :
